# ABOUT US

URBE University

URBE University was founded with the mission of expanding access to high-quality, bilingual education across the Americas. Located in Sweetwater, Florida—just minutes from Miami—URBE offers a multicultural academic experience designed to prepare students for success in a globalized world.

We offer bachelor's and master's degree programs in both English and Spanish, available online or in person. Our flexible, student-centered approach allows learners to shape their educational path while connecting with peers from Latin America, the United States, and beyond.

URBE University is licensed by the Florida Department of Education and accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC). Our commitment to academic excellence, innovation, and global opportunity drives everything we do.

Dr. Óscar Beloso Medina, founder and president of URBE University, has dedicated his life to education and to empowering others to pursue their dreams through knowledge. His vision continues to inspire our mission and shape our community.

At URBE, we are more than a university—we are a second home. A place where students, faculty, and staff come together to grow, support one another, and strive for greatness.

Thank you, URBE community. We did it—and we're just getting started.

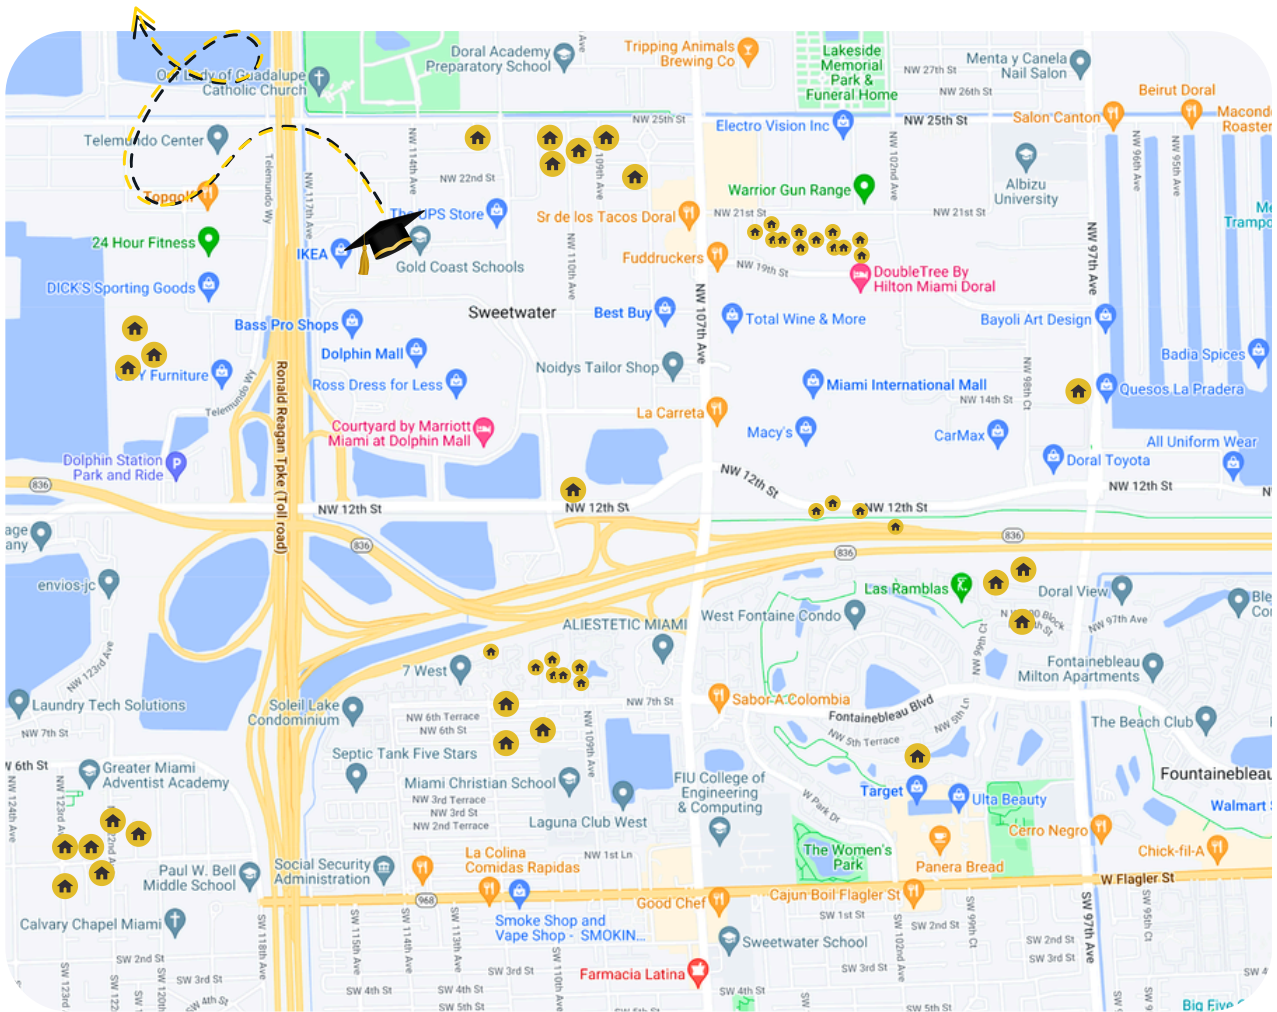

At URBE, we believe in education. We shape responsible leaders with extraordinary skills, grounded in strong ethical, social, and moral values.
